## Workshops

Three workshops took place recently in May and June:

- Deepening your Online Therapeutic Relationship, with Ann Bracken
- Working with sex & sexuality in the clinic, with Mou Sultana
- Models of Supervision, with Christine Lodge.

Members thoroughly enjoyed these workshops and we are excited to announce additional workshops from September onwards, including **EFT Training, Bipolar Affective Disorder** and **Introduction to Trauma-Informed Practice in Psychotherapy** so keep an eye out!

## Departures

We would like to express our thanks to the following board members who stepped down recently, for their commitment to the board over the years:

Julie Kelly  
Maria Fitzgibbon-Wyer  
Orla McHugh  
Larry Cumming  
Mafalda Brennan

## New Website

The NAPCP was very excited to launch its new website earlier this year, and so far, the feedback has been very positive. If you have not already done so, you can log into your account and update your details any time, including your profile in our online directory if you are accredited. This is where you also pay your annual membership. There will be one new feature this summer and that is the addition of online application forms. Any questions, please call/email the office.

***“EFT (Emotionally Focused Therapy) provides its therapists and clients with research-based tools to allow partners in relationships to begin to feel connected and safe through secure attachment.”***

## Changes

### Arrivals

Our newest board members are Kevin Sludds and Eve Ryan. Kevin is a Professor of Philosophy and has just completed an MA in Counselling & Psychotherapy. Eve has a Master of Laws degree and works as a legal consultant - we are delighted to welcome both on to the board.

## Accreditation

Accreditation meetings occur 4 times a year. The next meeting will take place in September. Please submit your forms at least a week before a meeting. Applications for the next meeting should be sent to the office by post or email before the end of August. Garda vetting is a requirement for all applicants.

## Pre-Accreditation

When applying for Pre-Accreditation, all forms sent to us must be NAPCP forms. We no longer accept Supervisor reports completed for colleges. All criteria can be found below.

## Supervision

We have many queries around Supervision. In order to become accredited for the first time and also to renew accreditation, here are some points to note:

- Supervision must be with a Supervisor who is accredited with NAPCP, IACP, APCP, IAHIP, BACP, ICP or ACI.
- Supervision should be at least once a month.

For ratios, group supervision and other criteria, please visit our website below.
