Accredited Member

Accreditation helps to ensure that practitioners are appropriately qualified and work to recognised standards of professional competence. Accreditation also assures the client that the practitioner will work within an agreed ethical framework and code of practice.

This category is open to NAPCP Pre-Accredited Members who fulfil the criteria below. Accredited Members are entitled to vote at General Meetings and are required to pay the annual subscription. Accredited Members are required to abide by the NAPCP Code of Ethics and Practice and are subject to the NAPCP Complaints Procedure. They are entitled to apply for entry onto the NAPCP 'Register of Accredited Members' and the NAPCP database for client referrals.

To become an Accredited Member, an applicant must forward Annual fee of €170 and a once off processing fee of €120 together with the completed relevant application form and arrange for their supervisor to complete and return the Supervisor's Report Form. Accreditation assessment meetings are held four times a year. NAPCP Accreditation is for a period of five years and is dependent on the annual subscription being paid on time. After five years, the NAPCP Accredited Member is required to make a formal application to renew their Accredited Membership (see Five Year Renewal of Accreditation). **Accredited Members may make themselves known as Accredited Members of NAPCP (MNAPCP).**
